## **Winter Parking**

Unit owners who are away for the winter season and leave their cars at Edgemont, must move their cars to a designated parking area. Please contact the office (631-4400) for instructions.

This is done so that we are able to plow all parking areas when it snows.

As additional reminders:

1. Parking in front of garage doors is not permitted between November 15 and April 15.
2. Your car must be cleaned of snow and moved to a plowed space within two days of a snowfall.
3. When cleaning snow off and around cars please shovel snow off the driveway and **NOT** into the roadway.
