

Reminder Notice

The water will be turned off in Phase IV (303-413) Friday, December 20, from 8:30am -3:00pm.

Work is being done on the main shut off valve for units 303-313.

When the water is turned back on, you may have discoloration/brown water. If this occurs, run your faucets until the water runs clear.

We apologize for any inconvenience and we thank you in advance for your patience and understanding.

If you have any questions, please contact the office at 914-631-4400.
